

## Sign Up Time...

**Shrine Mont** is one of those places in this world where

people are more important than things; where prayer and reflection, rest and play are more important than phone calls, emails, and To Do Lists.

**Shrine Mont** is where we connect as a community and where we

spend time together laughing and playing, relaxing and chatting, and create great memories. It is a place where we make new friends and rejoice in the ones we had for years, and where the demands of this world are set aside for bit, because a rocking chair and a cool breeze is calling our name.

**Shrine Mont** is a place where our kids can run free and safe in God's own creation; where streams become playgrounds and imaginations run wild. It is where we give thanks for bonfires, singing, marshmallows, a pond full of fish, fried chicken, butt buns, trees upon trees, and trails to explore.

**Shrine Mont** is *that* place where we celebrate being a part of the family of God; where we rest in the arms of our Creator, and where bullfrogs sing us to sleep.

**So come and join us**, put the world down for a bit and come relax in the beauty of God's creation and with some great, good folks.

## One last thing about Shrine Mont...

### *Can you guess what this is?*

Come to our Annual Parish Retreat in October and find out.

### **The Program:** *The Story Made Flesh.*

John 1:14 tells us... “*And the Word became*

*flesh and lived among us.*” We began 2019 hearing

about different parts of our story – the story of All Souls Episcopal Church. We’ve talked about how the Bible is full of “our” stories – our

sacred stories – originally spread by word of mouth and kept for us. We each have our individual story which when added with others becomes a community’s story.

What if our stories – both our individual stories and our collective stories - are part of that *Word*. What if we are part of *that Word made flesh*. This will be a program for all ages, so come and explore this idea of *The Story Made Flesh* and spend time relaxing, playing, and worshipping in God’s Creation.
